~ ~ ~ About the Cover ~ ~ ~

“County Fair Tractors” was taken by Libbie Fender from Knightstown, Indiana. This is Libbie’s first year in 4-H and she is eleven years old. Libbie was at the Hancock county fair looking for colorful pictures when she noticed the tractors. She said that her interest in photography was sparked by her father and now she takes her camera everywhere.

The photograph on the back of the cover is named “Rural Warren County”, and was taken by eleven year old Emily Fry-Schutt of Attica, Indiana. Emily is a second year 4-H member. She took this picture in the fall of 2005, while on her way home from church. She liked the colors of the trees and the contrast with the abandoned barn and thought it would make a good picture. Emily’s interest in photography comes from her mother. She says, “We always have a camera close by”.

Acknowledgments

We extend a special thanks to the farmers, agri-businesses, extension officials and others who voluntarily provided basic data used to prepare the statistics presented in this publication and to the corps of enumerators who so faithfully collected much of our raw data.

We would also like to thank all of the 4-H photography members that submitted pictures for use in our publication. All of the photos were included on posters displayed at the 2006 Indiana State Fair.
